President's Report

Hello

I am still trying to get rid of cold and cough, have not been able to get on radio much because of voice, looking forward to seeing everyone at club meeting on the 14th.

Someone will be at meeting from the BGLOB TOUR DE CAVE EVENT which will be June 8th and they want us to help, will need someone to be in charge and some club members to help at different check points, and follow each route. Looking forward to Dayton, probably will not make any big purchases

Not to early for everyone to try and find some door prizes for our hamfest
