President's Report

Hello

Looking forward to seeing everyone at the Awards Banquet Tuesday November 11 th at Logans . Sorry I missed last meeting and also bridge watch , I have been told by more than one member that I seem to be out of town when the club has a function, so if someone else wants to be president next year , I will let them have it. I have a lot of other things I could be doing.

We will have the bent screwdriver at meeting, everyone be thinking about who may be deserving to get it.

The bands have not been to bad, the ft4ta has been having big pile-up
